

Welcome from the Clifford Road School

Mid-day Supervisor Assistants!

We aim to make your child's dinner time as enjoyable and stress free as possible.

To help us with this we have a few simple rules:

Fizzy drinks, fruit winders and sweets are not allowed in packed lunches. Chocolate covered biscuits such as kit-kats & penguins are fine but bars of chocolate are not.

Could we also request that if your child brings a yogurt to school that they also bring a spoon! It's a drain on our limited resources to supply disposable cutlery.

Finally, please could you ensure all lunch boxes are named. With many of the boxes being identical this will stop a lot of confusion!

Thank you for your assistance,

**Lynne Careswell
