

I Was Born in the Potato Age

By Class 3B

I was born in the Potato Age,

I was born in the Potato Age,

When I was at school, we didn't sit on chairs, we sat on a roast
potato!

And we didn't have paper so we wrote on potato skins using a French
fry!

When we read a story, we didn't sit on cushions, we sat on mashed
potato!

On rainy days we didn't wear a coat....we wore our best jacket
potatoes!

When we washed our hands, instead of sanitiser, we used potato
soup.

We ate our dinner off a crisp, not a plate.

Instead of snowballs, we threw boiled potatoes at our dad!

Instead of sticks we built a bonfire with chips.

And ALL we got to eat was roast potatoes!

I was born in the Potato Age,
